## SERIOUSLY...

THERE just isn't any remembrance that compares with an orchid plant as a gift—to a friend a long way off or who may be ill, as a gift for a birthday or other special occasion, or just for your own personal pleasure. Whether you choose the "Tiger" (*Odontoglossum Grande*) or our Fall Cattleya prize (*Labiata* species from Brazil), the spectacular beauty of their long-lasting blooms is a memory to be cherished.

*This year's Fall plants are a specially selected group . . . heavily laden with buds, and needing just a "few hours" (truly, a few days) in your room to burst into bloom.*

Both favorably priced in various sizes at:

**\$ 5.85      \$ 8.65      \$ 9.75      \$ 12.75**

**10% DISCOUNT** on your second plant (or more)
